“I am so thankful for this chance to breath, collect my thoughts, brainstorm new ideas, and grow as a teacher/person. Thank You!”

– Instructional Coach

“The overall PLO was very upbeat and positive. Also, my sessions this spring seemed tailored-made to fit my needs as a coach.”

– Instructional Coach

“I feel much more confident and knowledgeable about how to collect data, the types of data I can collect, and how to analyze the data with teachers after having attended this PLO.”

– Instructional Coach

“The Breakout sessions this year were relevant and engaging. Every coach that attended in my IU said this was the best PLO for the year. Each of the breakout sessions provided excellent resources/take-aways and opportunity to learn from others.”

– Instructional Coach

“It always amazes me to hear the great work that coaches are doing across the state. PLOs like these provide opportunities for professional development and also validation for the work that is being done.”

– Instructional Coach

“It is the perfect venue for learning, collaboration and planning alignment! Support on so many levels, highest quality of PD and the best resources in the state-people who know and honor education as both a science and art.”
